Arla 0.36.2

- Three releases this month
- Incremental open
- Linux 2.6 client
- Native Windows 2000 client
- MacOS X client

Linux 2.6

- mostly functional
- /proc support
- PAG with LSM

Windows 2000/XP

- read is close to native platform
- write about linux/bsd speed
- needs some more work

Future work

- Range supprt
- IPv6 support
- Kill rxkad
- LDAP to ptserver

Questions ?
